## What Happens if My Vehicle Doesn't Pass a Safety Inspection?

If your vehicle will not pass safety inspection, our trained staff will be able to help explain the problems you have and how to correct it. We will address any questions or concerns you may have.

According to the Pennsylvania Department of Transportation Website: <https://www.dmv.pa.gov>

- A vehicle **must pass** an emission test before an annual safety inspection sticker can be applied to the vehicle.
- A vehicle **must pass** a safety inspection before an annual sticker can be applied to the vehicle.
- All Stickers **Expire** on the **last day of the month** and year listed on the sticker adhered to the windshield.
- All necessary repairs **must be** completed before an annual safety inspection sticker can be issued.

### Miller Tire and Auto Guidelines

- If **Miller Tire and Auto** completes the repairs the **re-inspection is free** within 14 days of the original inspection, plus the cost of the sticker.
- If the **customer completes** the repairs the **re-inspection will cost ½ the regular inspection price**, plus the cost of the sticker.
- If **after 14 days** the re-inspection will be full price

**\*Ask one of our staff members for any further information or questions\***

Our Staff at Miller Tire and Auto and Miller Express will be here for all of your vehicle needs. For more information about our vehicle services, please feel free to call or stop by either one of our locations and we will be more than happy to assist you.
